### Estimate details

Estimate no.: 1043  
Estimate date: 08/12/2024

#	Date	Product or service	Description	Qty	Rate	Amount
1.		<b>Custom Entertainment Center</b>	Building a custom 10ft x 19ft tv entertainment center using high-quality maple plywood for the main structure. The doors will be crafted from solid maple and MDF, designed as inset doors for a sleek, modern look. Once the construction is complete, the entire piece will be carefully sanded, primed, and finished with a navy-blue paint. Price includes hardware and all materials.	1	\$24,800.00	\$24,800.00
2.		<b>Custom Build Desk</b>	Building a custom desk 8ft x 10.5ft using maple plywood for the main structure. The doors and drawers will be made from solid maple and MDF, creating inset door designs for a clean and seamless appearance. After construction, the entire desk will be meticulously sanded, primed, and finished with a crisp white color. Price includes hardware and all materials.	1	\$9,900.00	\$9,900.00
3.		<b>Custom Build Armoire</b>	Building a custom armoire using maple plywood for the main body. The doors and drawers will feature an inset design, crafted from a combination of solid maple and MDF. After the construction is completed, the entire piece will be carefully sanded, primed, and painted to white. Price includes hardware and all materials.	1	\$15,100.00	\$15,100.00
4.		<b>Ceiling paneling</b>	I will be installing paneling and molding on the primary bedroom ceiling using	1	\$7,200.00	\$7,200.00

1x4 wood, designed to match the existing paneling in the foyer. Once installed, the wood will be sanded, primed, and painted white on-site to ensure a smooth and finish.
